### **COVID 19 PROTOCOLS FOR THIS SUMMER**

Players will be asked to wear masks when sitting on the bench with the other players. Exceptions (on an individual basis) will be made if your child is unable to wear a mask. Parents will be asked to wear masks in the bleachers. Following a year like no other we are all trying to get back to normal but keep everyone safe.

At this point the restrooms are still closed so there are porta-potties available at the fields and no water fountains. Not sure if this will change over the summer – we are getting details from the City Rec Leaders – who are amazing and love our Challenger Baseball programs!
